

Dental Disease Prevention 2010

With Chad Schueneman, 3M ESPE Dental Products

Come celebrate Dental Assistants Recognition Week, 2010, with friends and colleagues. This evening we will recognize you, and your hard work with dinner, door prizes, and an opportunity to learn about the latest prevention products and materials available from 3M ESPE.

This course will cover: caries risk assessment & prevention, ADA recommendations for in-office fluoride treatments, including varnishes, current sealant techniques, soft tissue treatment planning and medications. Also addressed will be Hypersensitivity, in-office and at-home treatment strategies.

Partial proceeds from the course will be used for the MCDAS scholarship program at College of Marin.
