

CDA Present...San Francisco, Moscone WEST, August 24-26, 2017

Where can you hang out with 27,000 of your colleagues? If you answered CDA Presents San Francisco then you are correct! This year's event will be held August 24-26, 2017. The location has also slightly changed. The event will still be at the Moscone Center, but this time it will be at the Moscone WEST. This is a multiple level building on 4th Street catty corner to the carousel. Not only that, but our CDAA booth will be on the second floor. CDAA will be at booth #1438. We invite you all to come by and visit!

We will also be hosting a special event for all dental assisting students. If you are a dental assisting student, please come by for a special thank you gift sponsored by CDAA, Crosstex, and Swiss Monkey. This is a small but fun token of our appreciation for becoming a part of a greater community in dentistry. We look forward to meeting you!

And don't forget that this is a great opportunity to meet, greet and learn! The exhibit hall will be very busy, with vendors on two levels, so don't forget to check out both floors!
